

MEAT PROCESSING

# Viking 3-Wheel 6000 Bandsaw

The new Viking 3 Wheel 6000 Bandsaw is a proven heavy duty machine, designed with special robustness for large processing facilities in the meat & fish industries for easy operation procedures.

Unique to Viking Bandsaws are the recessed doors and flat-mounted wheel, which will prevent debris build up - making cleaning easier and no recess under the table for cuts or dust to hide for a thorough clean.
